

Bible Presentation (Family heirloom)

June 18, 2008

President Joan Erickson & Sharri (Nelson) Johnson

Bible had been given to the United Methodist Church in Pine City by Clara (Scofield) Heath many years ago.....

At the Pine County Genealogical meeting June 18, 2008, the members of the Pine County Genealogical Society, represented by President Joan Erickson, presented an heirloom Bible to Sharri (Nelson) Johnson.

The church was closing so the Church officials gave the Bible to Pine County Genealogical member, Jim Foster, who hoped to trace the donors' family and return the Bible to them.

Johnson was excited to receive her grandmother's Bible, saying that she had always wanted to come across a treasure like this.
